

# Supervised Study Summer Term 2017

Your final assembly this year will be on Friday 12<sup>th</sup> May 2017. There will, however, continue to be a full programme of structured revision classes and supervised quiet study until the end of the exam period in June. Over the next five pages, you will find a weekly timetable of how these classes are organised.

In general, normal lessons will continue in each subject until the examinations in that subject are complete. Students are encouraged to attend these lessons when they are able. All students are welcome to attend college each day, but we do understand that there are times when it may be more appropriate to revise at home.

Once the examinations in a subject are complete there will be a supervised study room available where students can revise in a quiet environment.

Please read the following pages in conjunction with the examination timetable from Mrs Wood, our examinations officer.

**PLEASE NOTE: If you are in college you must be either an examination, a lesson or a supervised study space. Students must not be in areas that are unsupervised.**

For safeguarding reasons, it is important that any student that is in college, unless just for a scheduled examination, signs in and out at student reception.

**AFTERNOON EXAMINATIONS:** All afternoon exams will start at 1.30 pm. The dining room will be open from 12.30 pm for lunch. Students **must** remain in the dining room until 1.15 pm when you should make your way over to the examination room.

If you have any queries about the examination period please contact the academic lead for year 11, Mr Bartlett, or the examinations officer, Mrs Wood, at the college.

Mr N Berry  
Assistant Principal
