

Supervised Study 2017

When does supervised study start?

- Leaver's Mass – Thursday 11th May 2017
- Leavers' Assembly & Breakfast – Friday 12th May 2017
- Supervised study begins the week beginning Monday 15th May 2017 after the R.E. exam.
- **YOU SHOULD ATTEND NORMAL LESSONS UNTIL THE EXAMS ARE COMPLETED IN THAT SUBJECT.**

What is it for?

- When you have completed the exam in a subject there will be a supervised study space available each lesson if you wish to revise at school.
- **If you are in college you must be either an examination, a lesson or a supervised study space. Students must not be in areas that are unsupervised.**

Signing in/signing out

- As there is no registration each morning **you must sign in** at student reception if you are coming into school for a lesson or to use the supervised study room.
- There will be sign in sheets on a table outside the chapel.
- If you are only coming in for an exam you do not need to sign in.

Supervised study timetable

- Each week there will be a timetable of rooms available for supervised study.
- These rooms will be supervised by members of staff who will be able to help and advise you if required.
- Copies of this timetable will be available outside student reception, and in the Manning Foyer as well as on the website.

**Each lesson the
timetable tells you
whether to go to
your normal lesson
or which room is
available for
supervised study**

Can I sit on the field or at the picnic tables?

- Sorry, no. When you are in school you **MUST** be supervised at all times. It is the law.
- You must be either in an exam, a lesson or a supervised study room.
- If you do not want to be in any of these places you must sign out and leave the school site.

Why can't I just revise at home?

- You can, but most people find that working with other people helps them revise. You can talk about what you are learning and share ideas.
- You should have a balance of individual study at home and shared study at college.
- If you are at school you can ask for help or resources. It is much harder to do this if you are at home.

What time do my exams start?

- All morning exams start at 9.10 am
- All afternoon exams will start at 1.20 pm.
- Arrive at least 15 minutes before the start of your exam.
- Check the seating plans and line up in the correct place outside the exam room. (Sports Hall in most cases)

What about lunch if I have an exam in the afternoon?

- The dining room will be open from 12.30 pm for lunch for year 11 only.
- Students **must** remain in the dining room until 1.00 pm when you should make your way over to the examination room. You can revise in the dining room if you wish.

What equipment should I bring?

- Bring all your equipment in a clear pencil case, including a calculator when appropriate.
- Black Pens only should be used.
- No Smart watches allowed.
- All watches (of any type) need to be removed and placed on the desk in front of you. (New regulation)
- Read the examination handbook – handed out last November – also available on the website.
